TIME: 1:30 p.m.
ROOM: E-326

Defendant, Brent Hanson, moves the Court to dismiss the *Plaintiff's Motion to Exclude Pro Tempore Judge* on the basis that the statements made by the Plaintiff in the motion constitute blatant perjury. In his motion, Plaintiff stated that

In open court Judge Schlotzhauer acknowledged one, if not more, ex parte conferences between Defendant and the court had occurred.

...

The content of any ex parte conferences with the Defendant and the court are not known to the (sic) me, however any ex parte conference by the court with the Defendant is of concern.

The Court may easily verify that the preceding statements made by the Plaintiff are false by reviewing the transcript of the hearing on February 12, 2008.

WHEREFORE, for the foregoing reasons, Defendant respectfully requests that the Court enter an order to dismiss the Plaintiff's *Motion To Exclude Pro Tempore Judge*.

Submitted this 30th day of March 2009.
