[top](#)**Alberto J. Aran, M.D.**

Dr. Aran has been in the practice of ophthalmology since 1986 in Miami. His undergraduate studies include a B.S. degree from Spring Hill College, Alabama. He received his medical degree with honors from Tulane University School of Medicine, in New Orleans, Louisiana. He also completed his post-graduate training in ophthalmology and a fellowship in corneal and external disease at Tulane. Dr. Aran has been Board Certified by the American Academy of Ophthalmology since 1988 and by the American Board of Eye Surgeons since 1995. Dr. Aran is an Assistant Clinical Professor of Ophthalmology for Tulane University School of Medicine, Adjunct Assistant Clinical Professor for the State University of New York, New York. Other Faculty appointments include Clinical Assistant Professor, Nova Southeastern University, Miami, Florida and Adjunct Professor of Optometry, University of Houston and Indiana University. Dr. Aran is also a certified instructor for the VISX and Summit excimer lasers.

As a forerunner in the use of the laser and other advanced surgical techniques, Dr. Aran was the first ophthalmic surgeon in Florida to use the FDA approved excimer laser. He has trained over fifty ophthalmic physicians in the use of the excimer laser over the past three years.
